### FALL 2021 NEWSLETTER

## Fall Festival

**Perkasie's 20th annual Fall Festival** will take place from 12pm-4pm on **Sunday, October 3rd, 2021**. The Festival takes place in both the town center, and in Menlo Park. The event sites are linked by a free bus, or visitors can enjoy the short walk between the two locations. Perkasio's historic Carousel is open for the day.

The theme of this year's event is "Sweet Treats". Visitors are invited to a pie eating contest, bobbing for apples, candy corn hole toss, sweet tasting bakery treats and more.

As every year, families will find lots of free fun at Menlo Park, including a petting zoo, balloon twisting, face painting, and (weather permitting) the Boing gymnastics Tumble Track and pony rides (small fee). Free fall-themed crafts are under one park pavilion, and scarecrow decorating is under the other. Families are welcome to build and enter a scarecrow in this popular contest (one per family please, while supplies last, or bring your own).

Perkasie's town center plays host to lots of free activities, including tractor rides, a large outdoor games area, a massive "Big Red Baller" inflatable and the Revivals Block Party. Pumpkin decorating and other free attractions are on N. 7th St. The wing eating contest at 2:30pm is followed by the ever-popular pie eating contest at 3:15pm. Musical entertainment is provided by the Bucks County Folk Song Society, Mudfoot and the Back Porch Jug Band. Visitors to the town center can enter to win large raffle baskets with prizes generously donated by local businesses. All this, plus tons of food, and a large craft and vendor fair. Town center stores and eateries are open with shopping and dining specials.

Please join us in thanking these Premium Event sponsors for their support: American Heritage Federal Credit Union, A&T Chevrolet-Subaru, Gilmore & Associates, Kay Builders, Moving Targets, and Penn Community Bank.

## LETTER FROM THE MAYOR

### Greetings, Friends and Neighbors:

*"To every time, Turn, turn, turn. To every season, turn, turn, turn. A time for every purpose unto heaven. A time to be born, a time to die. A time to sow, a time to reap. A time for war, a time for peace, I pray it's not too late!"* By the Birds...1965

Pandemic, climate change, terrorist threats, racial distrust, increasing crime, political barriers, international discord, and socialism vs capitalism. All this and more, are driving our conversations, our relationships, and even where and how people worship.

You may be wondering why I started this greeting with the "Birds," and the short litany of our seemingly differences?

Well, Judy and I were married in November of 1965, our daughters were born in the Naval Hospital at Camp Lejeune in North Carolina . . . and there were many protest songs, much rioting, much distrust. And when we came home there was virtually no welcome for having served in the U.S. military.

Fifty six years have passed, and I think this is true, "The more things change, the more they seem the same." Or "There is nothing new under the sun, just another way of saying or seeing it."

Now I want to encourage all of you, we live in a wonderful community, a great place to raise children, to live, play, and worship as you choose. I am grateful, and lucky to have lived here, and to have had the opportunity to be a part of serving on School Board, and now as Mayor of Perkasio. I pray that I have done a fair and just job. I know that I have personally grown and learned a lot.

Thanks to all the residents, businesses, all the departments and staff, and especially the administrative staff. Thank you to Borough Council, and all of the individuals that it has been my privilege to work and serve with. I want to give a special thank you to the officers of the Perkasio Police Department, and to the three police Chiefs I have been privileged to learn from and work with.

Okay, my fellow residents, the key is volunteers . . . we, your community, need you! Especially the young and the young at heart, from fire fighters, to fire police, to park and recreation . . . and so much more. Seek, and find where you can give back, for we have so much!

*"For every time there is a season, for every season there is a purpose under heaven."* Ecclesiastes 3:1

Many sincere thanks,  
John D. Hollenbach, Mayor, Perkasio Borough

Here are some environmentally friendly tips for keeping your lawn and garden healthy this fall:

- 1) **Dispose of leaf litter and yard waste in a compost pile, never in the street or stream!** You can shred yard waste to use as mulch or fertilizer for your yard and garden. Or, check with you municipality for yard waste collection opportunities.
- 2) **Apply herbicides and fertilizers sparingly and never before it rains.** Try spot treating for weeds or, better yet, pull them by hand! If you have to use herbicides or fertilizers on your lawn, make sure to always follow the instructions and sweep up anything that falls on hard surfaces.
- 3) **Add native plants to your yard.** Now through Thanksgiving can be the best time to put native plants in the ground. Many plants go dormant in the fall and winter and will not require much maintenance to survive until spring. Native plants aid in the infiltration of stormwater and provide important food and habitat for wildlife.

## A Message From The Perkasie Borough Police Department

311 S. 9TH STREET PERKASIE, PA 18944 (215) 257-6876

The Perkasie Borough Police Department provides full-time police services to the residents of Perkasie and Sellersville Boroughs and is staffed by eighteen full-time police officers and two administrative staff members.

In addition to patrolling our community and responding to calls for service the police department offers fingerprinting services for employment and vacation checks of your residence. We also have a car seat safety technician who can assist in installing car seats for infants and young children by contacting our administrative office during regular business hours at 215-257-6876. The department also offers a prescription drug drop take-back box in the lobby of our police headquarters.

As winter weather driving season is approaching AAA offers the following tips for driving in winter weather;

- **Watch the traffic ahead of you.** Slow down immediately – but again, moderately – at the sight of brake lights, skidding vehicles or emergency lights.
- **Intersections can be especially slippery** as ice thaws from the heat of idling vehicles. “Water on top of ice is a very dangerous situation,” Paul said.
- **Lay off the cruise control.** Summer will be here soon enough.
- **Avoid unnecessary lane changes.** Changing lanes increases your chances of hitting ice between lanes, which could cause a loss of traction and, potentially, a crash.
- **Don’t power up snow-covered hills.** It’s not easy for a vehicle to climb an icy road. If you’re stuck and you hit the gas, you may just spin your tires. If you must climb such an incline, try to get a little momentum going and let that carry you up. When you come to the crest, slow down and proceed cautiously, and slowly, downhill.
- **Don’t try to brake on ice if you can avoid it.** If you’re approaching an area and you spot ice, apply your brakes on clear pavement to reduce speed. “Black ice, sometimes referred to as flash ice, can catch even an experienced driver by surprise,” Paul said. “Black ice happens when a thin layer of moisture freezes on the roadway, and it can be very dangerous.”
- **If you have anti-lock brakes, you can press hard on the pedal.** It might vibrate a bit, but that’s normal. Vehicles with anti-lock brake systems allow drivers to brake and steer at the same time, possibly in avoidance of a collision.
- **Do not send or read text messages, or engage in other distracting behavior.** That’s a critically important piece of advice for winter, or summer, or really any day of any year ever.

Please visit us on Facebook or on our CrimeWatch website <https://bucks.crimewatchpa.com> for safety tips and cases, investigations and arrests that the police department publishes for community notification. Minor police reports can be filed on line utilizing our CrimeWatch website however, for emergencies always dial 911. For non-emergencies residents call 215-257-6876 to speak with an officer.

*The entire staff of Perkasie Police Department wishes each resident a safe and healthy fall/winter season.*

## Perkasie's 112th Christmas Tree Lighting

The nation's oldest Community Tree Lighting Ceremony returns to its traditional in-person format for 2021, after the global pandemic sent us virtual in 2020. Mark your calendars for 5pm-8pm on Saturday December 4th.

Families can expect a traditional evening out, with Holiday music, food and fun. The event opens at 5pm with Perkasie Mayor, John Hollenbach and his annual reading of "T'was the Night Before Christmas". Carols and Holiday music from local school choirs will be followed by rocking Holiday music from Mike Greer & Co.

Santa Claus and Mrs Claus arrive on a Perkasie Electric Truck to light the Christmas tree at 7pm then will be available for photographs in the RE/MAX440 building at 7th & Market St. One lucky child will be chosen to climb on the stage to help Santa light the tree; bring a non-perishable food item for Penridge FISH to enter the drawing.

### Thank you Menlo Community!
