### PERKASIE GARDEN CLUB CELEBRATES 30 YEARS!

The Perkasio Garden Club has been a part of our community for thirty years. We have all noticed the improvements to our environment from the contributions of the Garden Club.

Linda List and Elsie Bartram with planters in front of Laurel Abstract

Parks and Recreation had difficulty maintaining the garden due to other pressing duties, so in the spring of 1992, Paul Leonard asked board member and avid gardener, Elsie Bartram, to take on the garden project and to start a garden club to assist her. Thus was born the Perkasio Garden Club. Two other board members and a dozen original club members assisted her with planting and maintaining this garden as well as other gardens throughout Perkasio. Elsie's family is a direct descendant of one of the world's greatest botanists, John Bartram; so she was a natural for the task.

In 1993, a Bucks Beautiful matching grant allowed the Club to purchase shrubs for the Veterans' Memorial Garden and there has been continual expansion ever since. The Veterans' Memorial Garden has won two awards for "Garden of Distinction"; one in 2009 from Delaware Valley's Bucks Beautiful and again, just recently in 2018 from the Pennsylvania Horticultural Society. The Perkasio Garden Club has enlisted help with larger projects, such as the stone edging by a local Eagle Scout and the new fencing installed by Perkasio Borough. The new sign was donated by Chris Nicolosi and his company, Impact Signs.

The garden is designed, planted and maintained by volunteers from the Club. There is usually a committee chair who is aided monthly by Club volunteers. The current committee designed the garden around a red, white and blue theme. Most

## PERKASIE GARDEN CLUB *continued*

notable are the red tulips in early spring, some surviving from the original garden. More recently the garden has become renowned for the Redhead coleus that brings visitors to view the gardens.

In the mid-90's, a member of the club proposed the idea of establishing planters in the Borough with the commitment of the Garden Club to plant and maintain them. It seemed a daunting task for the newly formed Garden Club, but the businesses in town contributed to the cost of the planters and the project took on a life of its own. The planters are currently planted and maintained by 20 or more members of the Garden Club every year. The contents of the planters are changed with the seasons to add to the beauty of Perkasio.

An early activity of the Garden Club was a plant swap, which the Garden Club continues in mid-May. Perkasio residents bring extra perennials or shrubs they have potted and exchange them for a different plant for their gardens.

As the Garden Club grew and attracted more members, new projects were taken on. One of the most popular activities has been the garden tours that showcase the beautiful gardens of homeowners in our communities. In celebration of our Thirtieth anniversary, the June 25, 2022 Garden Tour features various gardens of our club members.

A newer activity of the Club is a Tea. Decorating the hall and tables and making delicious foods gives our members another venue for our creativity. The proceeds from the Tea fund the Club's scholarships, which are given to local students majoring in horticulture or environmental science. Springtime in Paris is the theme of our April 30, 2022 Tea.

Many community leaders and businesses have given financial support or their services to help the Club maintain and improve our projects over the past three decades. We thank those businesses, Perkasio Borough Council and Administration, and Perkasio American Legion Post 280 for their continuous support of our efforts to beautify Perkasio.

The Perkasio Garden Club strives to be a vital part of the community. As it changes and grows, one thing is constant. We share our love of gardening and learn from one another. As Elsie Bartram has said "Gardening is our therapy."

We hold our club meetings on the second Wednesday from January through May at the Perkasio Regional Authority. If you have a love of gardening you wish to share, please join us. Check our website for our meeting times. <https://perkasiogardenclub.weebly.com/>

## About the Perkasio Towne Improvement Association (PTIA)

The Perkasio Towne Improvement Association is a 501(c)3 non-profit organization governed by an 11-member Board of Directors. We are dedicated to the enhancement of a diverse business community while recognizing the uniqueness of Perkasio. We give support and guidance with integrity and respect. Through marketing and community events we foster, encourage, and maintain a thriving community.

Last year, the state Department of Community and Economic Development awarded PTIA a \$50,000 matching grant to be used for eligible facade improvement projects in the borough's proposed historic district. Business owners can receive up to \$5,000 (50 percent of the project cost) for certain improvements, including painting, new windows, signs, lighting, awnings, and murals. With many projects under review these five have been approved:

- Painting at C&C Cafe, 609 W. Market Street.
- New lighting at EFE Labs, 700 W. Park Avenue.
- New garage doors at Ed's Service Center, 20 N. 7th Street.
- New signage at Free Will Brewing, 410 E. Walnut Street.
- New windows at Mystic Ways Brewing, 510 ½ Walnut Street.

PTIA also organizes First Fridays. 2021 marked the return of in-person First Friday activities in Perkasio. With live music, shopping and dining

special, kids' activities, and more, the once-a-month event grew steadily as more people became aware! Our Events Committee, under the leadership of Lisa Walters, has been busy planning our calendar for 2022. All First Friday activities take place in the area of 7th and Market streets. Save the Date for these upcoming First Fridays and their tentative theme:

- February 4: Perkasio Has Heart (all things Valentine's Day)
- March 4: March Madness (a tribute to college basketball)
- April 1: Don't Get Fooled Again (April Fool's Day)
- May 6: Sugar, Games, and Rock n' Roll (getting ready for PorchFest)
- June: Go Bananas at the Bike Bonanza (for our two-wheel, three-wheel, and four-wheel fans)

As a group, we look forward to continuing our mission to connect Perkasio businesses with each other and with the greater Perkasio community through family-friendly events and professional networking.

## Winter Stormwater Management

Here are some tips for managing stormwater on your property this winter:

- 1) **Dispose of shoveled snow in vegetated areas.** This will allow the snow to infiltrate instead of becoming runoff.
- 2) **Use de-icing chemicals and salt sparingly.** Focus on making your walkways and driveways safe, but avoid overusing or spreading in vegetated areas or near waterways.
- 3) **Start shoveling early!** The more snow you remove, the less salt you will need.
- 4) **Make sure your nearest storm drains are clear.** Do not pile snow on storm drains and make sure your neighborhood plow is not piling snow over the drain.

## A Message From The Perkasie Borough Police Department

311 S. 9TH STREET PERKASIE, PA 18944 (215) 257-6876

The Perkasie Borough Police Department is comprised of eighteen full-time police officers including two Detectives that provide 24 hour service, seven days a week to the residents of Perkasie and Sellersville Borough. The Perkasie Borough Police Department is a full service police department providing a vast array of services to our residents. In addition to patrol and investigative services the police department has officers assigned to specialized areas including bike patrol, K9, the county-wide evidence collection team, the Major Incident Response Team and the regional Upper Bucks SWAT Team.

Police Officers in Perkasie Borough attend numerous training courses throughout the year which includes First Aid/CPR/AED Certification, Firearms, Investigative Training, monthly Legal Updates, Police Supervision and Management for first line supervisors along with a multitude of courses to assist our officers in providing efficient and professional police service to our community.

The oversight board of all municipal police officers in Pennsylvania is the Municipal Police Officers Education and Training Commission (MPOETC) in Harrisburg. MPOETC administers the certification and mandatory training of all certified Municipal Police Officers in the Commonwealth. Mandatory training includes annual firearms qualification along with CPR/First Aid/AED training bi-annually. Additionally, all Municipal Police Officers in Pennsylvania are required to attend twelve hours of mandatory classroom training consisting of four separate topics. As part of the mandatory classroom training officers are required to pass a written test at the end of the training session. This training consists of Legal Updates along with other police related topics which, may be required as part of recent legislation. In 2022 all Municipal Police Officers in Pennsylvania will be receiving training on Use of Force and Understanding Bias.

As always, the police department reminds all residents to lock their vehicles and homes to deter both thefts from vehicles and residential burglaries.

*The entire staff of Perkasie Police Department wishes each resident a safe and healthy winter season.*

## SNOW REMINDERS

### A reminder of Parking Restrictions for Snow Events and Emergencies

To help Borough crews with the removal of snow from streets, the Borough Code of Ordinances restricts parking on some Borough streets when there are three or more inches of snow. The schedule of streets regulated by § 180-18.1 is as follows:

- Hunters Run – east side, entire length
- Parkridge – both sides, entire length
- South Seventh Street – east side, from Borough Hall parking lot entrance to West Chestnut Street
- West Chestnut Street – south side, from South Seventh Street to Borough Hall parking lot exit

### Snow Emergency Routes

When there is snow accumulation of three inches or more, the Borough Code of Ordinances prohibits parking on these snow emergency routes.

- Arthur Avenue – both sides, from Elm Street to South Fifth Street
- Callowhill Street – both sides, entire length (except south side only from Fifth Street to Seventh Street)
- Constitution Avenue – both sides, entire length
- Fifth Street – west side, entire length
- Main Street – west side, entire length
- Market Street – south side only, from Fourth Street to Fifth Street
- South Fourth Street – both sides, from Cedar Avenue to Elm Street
- West Blooming Glen Drive – both sides, entire length
- West Park Avenue – both sides, from Fifth Street to Ridge Road (except south side only from Fifth Street to Ninth Street)
- West Walnut Street – north side only, from Seventh Street to Constitution Avenue
- West Market Street – south side, from Ridge Road to Fifth Street

### Town Center Clean Up – Parking Restrictions

Perkasie Borough crews work to remove snow from the center of town after a snow storm at night, usually beginning at midnight. The roads will be marked with No Parking signs in advance, if possible. Parking will be restricted for snow removal as follows:

- 7th Street from Arch to Walnut
- Arch Street from 7th to 6th
- Market Street from N. 6th to Railroad
- Chestnut Street from 6th to 7th

- Walnut Street from 5th to 7th
- 6th Street from Market to Walnut
- 7th in front of Electric Department
- Area around Post Office at 7th & Vine Street
- Main Street in area of The Perk

### Winter Snow Reminders from the Code Enforcement Department

The snow has stopped and now it is time to clear your driveway and sidewalks.

Please do not pile, shovel, or snow blow your snow into the street. Waiting until the plows are done clearing your street before attempting to clear your driveway/parking space. It may take a plow 2 or 3 passes on the road to ensure proper and safe travel lanes.

Cul-de-sacs are the most difficult and time consuming streets to plow. Plowing a cul-de-sac can take up to eight times longer than a through street of the same size because of the limited amount of space to deposit snow without burying driveways, mailboxes, and fire hydrants.

Please do not travel on roads during a snow event unless it is absolutely necessary. Do not use your snowmobiles or all-terrain vehicles on the roadways. Snow plow operators have to concentrate on the roadways with the additional vehicles on them.

Perkasie Borough Ordinance § 152-2 states that all business and commercial premises within the Borough shall remove snow from their sidewalks within 6 hours after the snow, sleet, or freezing rain has stopped. All residents shall have all snow, sleet, or freezing rain removed from their sidewalks within 18 hours after the snow has stopped. For your safety and the safety of others, be sure you make plans to comply.

## Economic Development

### Perkasie, Under the Rainbow

Perkasie's downtown continues to grow. The ongoing revitalization of the town center is bearing fruit with continued interest by investors and small businesses. The downtown is evolving through the efforts of the Borough's Economic Development Committee leading support for existing and new and emerging businesses in the community.

This past year, Perkasie's economic development team has worked closely with Visit Bucks, the county's marketing and tourist agency. Collaboratively, both have promoted Perkasie businesses and events through specific marketing programs, such as the Covered Bridge Tour, and the Bucks County Ale and Sweet Trails.

Additionally, Perkasie has worked closely with Bucks County to promote Covid-19 Grant programs for our businesses to support them during these challenging economic times. Through joint efforts between the Perkasie Towne improvement Association (PTIA) and the Borough, Perkasie has received a high proportion of grants, as the team has spearheaded promoting information to all of our businesses, assisting with grant writing and submissions.

Throughout Perkasie's revitalization, the Borough has helped open 65 new businesses in the community over the past eight years, ranging from large manufacturers to small independent retailers while adding hundreds of new jobs into the community. Two unique trends in Perkasie are that most of the new businesses are owned by Perkasie residents, with quite a number of them being women-owned.

Perkasie's numerous events, including the Farmers Market and PTIA's First Friday activities, have helped to continue to grow and support our downtown businesses. The Borough and Visit Bucks actively promote Perkasie in local and regional media outlets.

Perkasie is becoming a destination town. This year, with the opening of The Ram Pub Restaurant and Rooftop Lounge, The Ram Beer Garden, and Ferment on Market, the Borough is beginning to have a vibrant nightlife. Traditionally, with a few exceptions, businesses in the downtown tended to close at 5pm; now, that's when things are just getting started!

In 2022, Perkasie will open two new micro-breweries, Mystic Ways Brewing and Van Lieus Brewing Company (both currently under construction), joining Free Will Brewing, all located on Walnut Street.

The future looks bright for Perkasie with property values and median household incomes continuing to rise. Within the town center district, many of the older Victorian homes are being renovated and restored. A thriving and walkable downtown is helping to drive this trend.

### Holiday Tree Pickup

Christmas trees (without wire) are picked up along with recyclables during the first three weeks of January. Please place your trees curbside before 7:00am. **Wreaths with or without wire will be collected with refuse.**

#### Tree Pickup dates:

### WINTER TRAIL INFORMATION

For Borough Park Trail Snow Information, please refer to Resolution #2008-34:

"Snow plowing of streets and roadways, park service drives, municipal parking lots, sidewalks on Borough-owned properties, and any emergency needs are to take priority over snow removal. However, removal of snow from the designated

areas is to be a priority of plowing of snow from municipal bike paths."

The Borough trails will be cleared when possible, but snow and ice covered areas may remain for an extended period of time after a storm. Surfaces may be slippery. Residents may still access the parks for winter recreation activities; however, they do so at their own risk.

### The 2022 Perkasie Farmer's Market is now Accepting Vendors!

Applications are invited from local farms and food producers interested in vending at our award-winning Perkasie Farmers Market! The market also has a limited number of spots for local handmade, homemade craft items. All vendors must supply a Certificate of Insurance, evidencing general liability coverage.

The Perkasie Farmers Market will be open from 9:00 am – 12:00 pm every Saturday morning from June through October, 2022. A fee schedule and online applications are available at [www.PerkasieRec.com](http://www.PerkasieRec.com).

Local non-profit organizations are welcome to apply for our weekly FREE Community Spot. We also welcome applications from musicians to play at the market. We are able to pay a stipend and it is a great way to get exposure to a local crowd, promote other gigs, collect tips, share information and sell CDs or other merchandise.

The market offers a full range of local grown and Certified Locally Grown produce, eggs, cheese, meat, honey, breads, coffee, cookies and cakes, preserves, olive oil, sweet treats, flowers, plants, and more, as well as home-made craft items. Live music and a calendar of events make the market a fun weekly stop for families. Questions about the Perkasie Farmers Market can be directed to the Borough's Event Coordinator at [events@perkasieborough.org](mailto:events@perkasieborough.org).

## TIME TO SHARPEN THOSE SKATES!

Fingers crossed for icy temperatures to help our Skating Rink freeze this winter. The rink is located in Lenape Park, Constitution Entrance, in the back closest to the Creek. The water is pumped in from the Creek and we let the winter weather do the rest! The rink is skate at your own risk and open regular park hours, dawn to dusk. If you have any questions please email [parkandrec@perkasieborough.org](mailto:parkandrec@perkasieborough.org).
